Sir,

I write to state that in connection with the publication of the Annual Reports and excavation and other monographs and guide books, I have to get line and half tone blocks prepared for ~~purchase~~ purposes of illustration. It has been usual for this Department to get this work done by the Indian Photo Engraving Company, Calcutta and incur the expenditure from the grant provided under Special Charges in the Budget of the Department. I therefore request you to be so good as to permit me to continue getting the blocks prepared by the Indian Photo Engraving Company incurring the expenditure on that account from the Special charges provided ~~under~~ in the budget of the Department for the current year.

Yours faithfully,

L. Narasimhachar

No. 116
Encl. two enclosures

Mysore, 20th September 1949.

To

The Education Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

With reference to your letter No.E.1631/Archy. 1-49-2 dated 16th August 1949 directing me to intimate the expenditure that will have to be incurred in connection with getting half-tone and line blocks prepared for illustrating the publications of this Department, I am submitting herewith copies of two letters Nos. 177/44 dated 15th November 1944 and 724/A-7/RB.377 dated 22-8-49, the earlier letter mentioning the old rates and the present one mentioning the new rates. In the earlier years we used to incur an expenditure up to about Rs.400/- per report on the average containing about 50 illustrations of different sizes and I believe that at the present rates the cost of getting these blocks made per report would come to about Rs.600/- if we retain 50 illustrations per report. Since the

3

monograph on Chandravalli Excavations has already been sent to the press, about 100 blocks in addition will have to be got prepared for illustrating the monograph so that this Department will have to incur an expenditure to the extent of Rs.1000/- in this connection during the current year. I request that Government may ~~be~~ graciously be pleased to permit me to incur this expenditure from the grant under the Special Charges provided in the Budget of the Department for the current year and also permit me to get this work done by the Indian Photo Engraving Company, Ltd., Calcutta, accepting their present rates under the circumstances mentioned in their letter.

Yours faithfully,

L. Narasimhachar

Ag.Director of Archaeology.

Copy of letter No.177/44 dated 16th November 1944 from the Indian Photo Engraving Co., Ltd., Calcutta, to the Director of Archaeological Researches in Mysore, Mysore.

While thanking you for your esteemed letter No.330 dated the 9th November 1944 we beg to inform you that still now we are in a position to hold on our revised rate submitted to you under our letter No.102/44 dated 15-6-44. For the sake of convenience we are submitting the same ~~xxx~~ rates hereunder.

Halftone block on copper. @ -/9/- per sq. inch.

Do. minimum size (up to 10 sq.inch) @ 5/10/- per block.

Line block on Zinc. @ -/7/- per sq.inch.

Do. minimum size (upto 10 sq.inch) @ 4/6/- per block.

The measurement of the printed surface will only be taken into account. Packing, Ry.freight and forwarding charges are extra.

We hope, in consideration of our past faithful services rendered to you will accept our present offer and forward your valued order along with the originals at your earliest convenience.

Thanking you again,

Enclosure No.II

Letter No.724/A-7/RB-377 dated 22-8-49 from the Indian Photo Engraving Co., Ltd., Calcutta.

We beg to thank you for your esteemed Order No.73 dated 1st August, received by us just to-day, enclosing a list along with 10 photographs for preparing blocks.

Owing to all round increase and rather a heavy increase, in the costs of labour and specially of the skilled labour, all raw materials, House rent, taxes and in all minute details, all block-makers in Calcutta have been compelled to adjust their Sale Prices according to costs of production.

A copy of our Current prices of preparing Blocks is sent under a separate cover to you for your reference.

As we used to supply blocks to you at a specially reduced rate we are submitting herewith our special rates for you, which we have every reason to believe that you will kindly approve. Our special rates as quoted in the annexed schedule are approximately 20% lower than our usual rates to customers all over India.

This is the maximum that we are in a position to go for. No further concession in the way of calculating prices on only the printed surface of the Blocks instead of on the actual size are measurement of the block, as we used to do in your case in pre-war time will now be possible. The old days and the old world are all gone. The costs are simply prohibitive, the average index being above 300%. We therefore hope that you will be pleased to consider the situation - keeping in view that the very fine and intricate nature of your works which can only be handled by highly experienced and skilled workers and be good enough to intimate your approval at your earliest convenience so that we may be in a position to take up the Order for execution.

Soliciting your kind commands as ever,

P.T.O.
